## YEA

٩R	One event for each year after age 10
17	Was fishing off the side of the boat, having a good day. Decided to go check on his
	smoking hot babe of a girlfriend (Angela Z.), who was sunbathing on the tropical
	island working on her tan. When he got there, she was DEAD with a knife through
	her. He tried to save her by feeding her his only rare healing fish, but to no use.
18	Made a new friend: String Bean, he is like an older brother to me. Except he is 95
	years old. He is a very experienced pirate and young at heart. String LOVES fishing
	,almost more than Cass! He is also very good at playing string instruments.
19	It didn't take long for Cass to get a new girlfriend after Angela died. He is quite the
	stud and VERY cool. His new babe is a model and her name is Kiriko. She is smart
	, incredibly attractive and is into spiritual stuff. There is only one problem: Cass
	likes to mess around with other women on the side. "There are plenty of other fish
	in the sea, babe, and I want to catch every fish." Kiriko isn't very happy but she puts
	up with it because of how attractive and cool Cass is and because he is SOO good
	at catching fish.
20	Big Score: Cass Ster was out fishing one night, and caught a HUGE fish. After
	fighting the fish for DAYS he finally caught it. The golden cyber fish! Cass managed
	to sell the bad boy for \$3000 Euro dollars!
21	New enemy alert! For years, Cass has worked for an expert pirate named Captain
	Crunch. Named after his super strong teeth, that could bite through gold, Crunch
	hated Cass. Maybe it's cause Cass is cooler, hotter and everything better than him.
	Cass has finally had enough, and yells at Captain Crunch, calling him slurs like
	"swash buckler". To calm Cass down, Crunch threatens to cut him off from a small
	Corporation that Crunch is friends with: The entire fishing market! Cass is upset, but
	has to abde by this threatfor now.

Nothing happened that year. Kiriko and Cass are still going through life.
